

From I-95 (South or North)

Exit the Lake Ridge/Occoquan Exit (#160). Head north on Route 123. Turn Left at the second stop light onto Old Bridge Road. A Mobile Station sits on that corner. Follow Old Bridge Road to the 7th traffic light and make a left onto Harbor Drive. A Shell Station sits on that corner. Make a right hand turn after you pass a tall brick building into the Fairfield Office Park. Park and walk down the steps past the gazebo to the 3rd office on the right. Our building is 12904 and has a brick face with a green door.

From Rt 123 (Fairfax)

Follow Rt 123 south across the Occoquan River. Make a right hand turn onto Old Bridge Road. A Mobile Station sits on that corner. Follow Old Bridge Road to the 7th traffic light and make a left onto Harbor Drive. A Shell Station sits on that corner. Make a right hand turn after you pass a tall brick building into the Fairfield Office Park. Park and walk down the steps past the gazebo to the 3rd office on the right. Our building is 12904 and has a brick face with a green door.

From Prince William Parkway (Manassas)

Follow Prince William Parkway east. About a mile after you pass the McCoart County Building, the road splits. Take the left fork passing the Glen Dale Shopping Center (Old Bridge Road). Follow Old Bridge Road through Lake Ridge (approximately 10 traffic lights). Turn right onto Harbor Drive. A Shell Station sits on that corner. Make a right hand turn after you pass a tall brick building into the Fairfield Office Park. Park and walk down the steps past the gazebo to the 3rd office on the right. Our building is 12904 and has a brick face with a green door.

From Minnieville Road (Dale City)

Follow Minnieville Road north (Rt 640) toward Lake Ridge. Turn left onto Harbor Drive near the water tower. Make a left into the Fairfield Office Park. Park and walk down the steps past the gazebo to the 3rd office on the right. Our building is 12904 and has a brick face with a green door.
